

## Preventative Maintenance for Pilots

Aircraft Maintenance can be one of the most daunting aspects of aircraft ownership. In this interactive 120-minute seminar, an A&P mechanic will discuss preventative maintenance, common equipment failures, and techniques and procedures for maintaining and replacing aircraft parts.

**Directions:** Thunderbird Aviation Flying Cloud is located on the North side of the Flying Cloud Airport just off Pioneer Trail.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
